

Information on COVID-19 rules in our guest rooms

Your health and safety are our priority before and during your stay with us.

PUBLIC AREAS :

- Please wear a mask when moving around public areas and respect the 1 metre social distancing with other clients.
- Hydroalcoholic gel is available inside and outside the building.
- All leaflets, magazines and books which could be a source of infection have been removed.
- Board games are still available but are not disinfected.
- Door handles and light switches are disinfected twice daily.
- The garden furniture is disinfected daily.

YOUR ROOM :

- Your room has been aired according to sanitary recommendations.
- The person who cleans your room wears a disposable mask and gloves and uses either bleach or virucidal cleaning products.
- Bed linen is washed at 60°C minimum.
- Curtains and covered armchairs are disinfected with a steam cleaner.
- Disinfecting wipes are at your disposal (do not throw down the toilet).
- During your stay, the room will not be cleaned every day unless you request it.
- Should you require a change of towels and bathmat, please let us know. We will give you a bag with the clean linen in which you will place the soiled linen.

BREAKFAST:

Is served between 8am and 9.30am. Please tell us what time would be convenient for you so that we can avoid you being in contact with other guests in public areas.
